

LADY 7

Designed with a wispy-thin silhouette, Lady7™ provides a clear, beautiful light source for your desk or table. Using the ingenious telescopic vertical stem, Lady7™ can be shortened to a mere 13" above work surface, or extend up to 20" in height, and it is also available in Floor model. The lamp's base houses a USB outlet to assist with multi-tasking or device charging. The amazing Lady7™ is the complete package for today's home or office lighting needs.
