

LADY 7 FLOOR

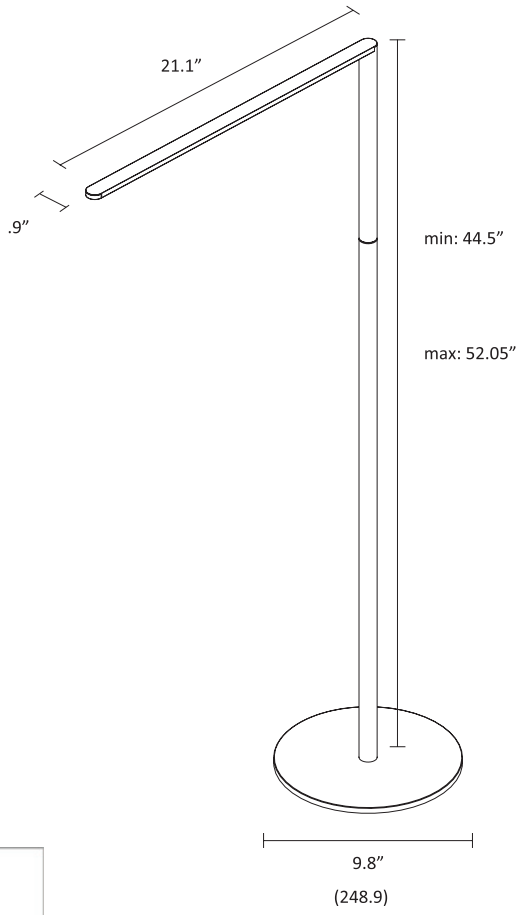

The sleek and sexy Lady7 is now reaching new heights. With all the same energy-efficient and minimalistic features as its desk lamp counterpart, Lady7 Floor is the perfect pop of color and design for any room. By extending the telescopic arm, this flexible lamp is even more capable of shining light where you want it.

Designer
Kenneth Ng & Edmund Ng

Lumens	300
Energy Consumption:	6.5 watts
Number of LEDs:	6 LEDs
LED Rated Lifespan:	50,000 hours
Color Temperature	Variable from 2,700 K to 4,000 K
Color Rendering Index (CRI):	83
Dimmer:	Built-in touchstrip
Brightness Adjustability:	Continuous dimming
Standard Color Finish*:	Metallic Black, Silver, Matte Red, Matte White
Material:	Aluminum/Plastic
Cord:	Braided cord in matching color, 10’
Built-in USB port:	5V 1A
Built-in 5-hour auto-shutoff timer	
C-UL-US Certified	

L7-_ _ _-FLR

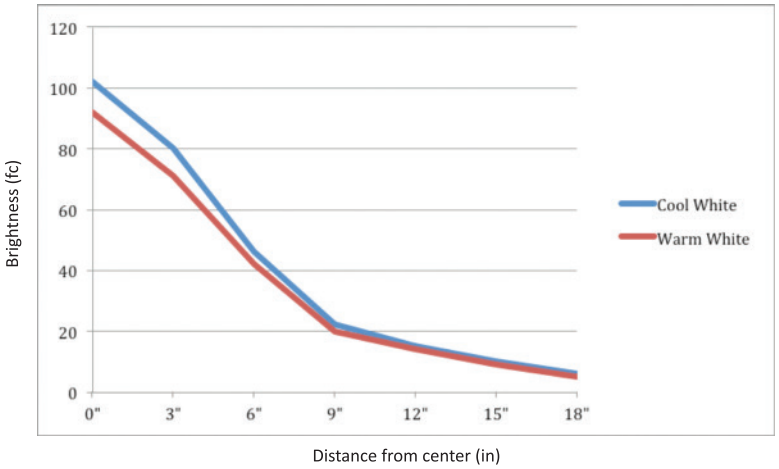

- MBK = Metallic Black
- SIL = Silver
- MRD = Matte Red
- MWT = Matte White

Potential LEED Points

Integrative Process *(Possible 2 points)*
To support high-performance, cost-effective project outcomes through an early analysis of the interrelationships among systems.
Koncept’s LED desktop and task lighting provides finer control over lighting levels in occupied spaces. With personal lighting in place, elimination or downsizing of building lighting systems is possible.

Interior Lighting *(Possible 2 points)*
To promote occupants’ productivity, comfort and well-being by providing high-quality lighting.
All Koncept’s task lighting products provide more than three lighting levels that are easily adjustable by occupants to suit their needs. Furthermore, all Koncept’s task lighting products use high quality LED light sources with CRI over 80 and L70 rated lifespan over 50,000 hours. Desktop and task personal lighting also provides the opportunity to reduce overhead lighting.
