Z-Bar pendant *rise*

The *rise* is a three-dimensional addition to the Z-Bar Pendant line. Available in five different geometric configurations, these contemporary and minimalist pendants consist of modular light bars on the top and bottom tiers that independently rotate 360.° Direct the top light bars up to the ceiling and the bottom bars down to enjoy both ambient and task light. Optional acoustic panels are available as an attractive solution to sound absorption.

LEED Information

Integrative Process

To support high-performance, cost-effective project outcomes through an early analysis of the interrelationships among systems.

Koncept's LED lighting fixtures operate at high efficacy, therefore helping to minimize energy costs. All Koncept lighting fixtures are dimmable so that occupants can choose the appropriate setting to avoid energy overuse.

Interior Lighting

To promote occupants' productivity, comfort and well-being by providing high-quality lighting.

Koncept's entire line of hardwired lighting fixtures are dimmable. Users can adjust the brightness settings to suit their needs. Furthermore, all products utilize high quality LED light sources with CRI over 80 and L70 rated lifespan over 50,000 hours.
