# Z-BAR

pendant light

The Best of NeoCon GOLD award-winning Z-Bar Pendant is created to be a part of a modular system. Each “light bar” independently rotates 360 degrees and can be connected to create a number of standard configurations and customizable patterns to fit spaces of any size. Our online building tool is available to aid in design customization.

Suspend a set of pendants from another to simultaneously shine ambient light onto the ceiling and direct light onto a table, or create a dramatic and sculptural piece that illuminates a lobby or entryway on its own. The pendants are compatible with any dimmer, so controlling the brightness levels is simple and can be done by remote or switch.

Lumens (per light bar):	600 lm
Energy Consumption (per light bar):	12 W
Rated Lifespan:	50,000 hours
Color Temperature:	3,000 K
CRI:	90
Wall Switch:	Compatible with any ELV wall dimmer
Standard Finishes:	Black, Silver, White
Material:	Aluminum, Zinc alloy, plastic

#### Potential LEED Points:

##### Energy & Atmosphere (EA)

*Credit 1.1: Optimize Energy Performance*  
LED lighting to reduce energy consumption.  
(Potential points: 3)

All color finishes use water-based paint  
LEDs do not contain mercury

##### Innovation In Design (ID)

*Credit 1.1 - 1.4: Innovation in Design*  
The Z-Bar Pendant is created to work within a modular system, and it can connect and transform into a number of configurations. Each light bar can rotate 360 degrees to shine dimmable ambient or direct light, according to your preference.  
(Potential points: 4)
