

Meet the Designers

Koncept was born in 2002 when industrial designer Peter Ng and his two sons, Kenneth Ng and Edmund Ng, joined forces in order to harness years of manufacturing and industrial design experience.

The Koncept team has since designed a range of products that have significantly influenced the LED task lighting industry. Their works have been featured in major press such as TIME Magazine, Oprah Magazine and Interior Design Magazine. Koncept has earned over 50 international design awards to date, including the Red Dot Design Award, iF Design Award, and the Good Design Award.

Embracing modern, minimalist lines while maintaining rich functionalities, Koncept's designs strike the perfect balance between form and function.

Details

2000 Lumens
48 W
50,000 hours lifespan
3,000 K light color
Compatible with any ELV wall dimmer
Continuous dimming
Matte Black, Silver

Environmental Considerations

Water-based paint
LEDs do not contain mercury
Low power consumption
LEED credit eligibility

SUB

pendant light

By Kenneth Ng, Edmund Ng
2018

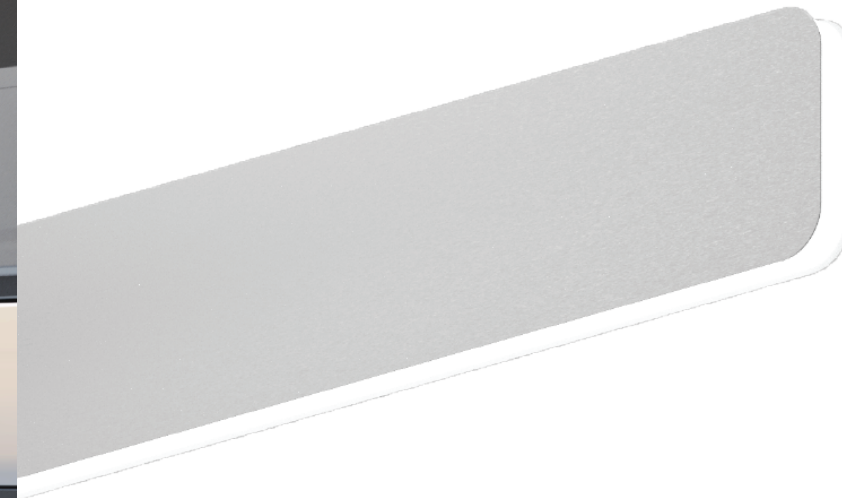

Thoughtful Simplicity

Emitting a warm glow, the Sub Pendant functions as both a task and ambient light.

Minimalism in Every Respect

The Sub complements rather than obstructs the aesthetic of its surroundings. The almost-invisible support system is conducive to an uninterrupted visual flow.

Light for All

A continuous line of light wraps 360° around an attractive metal housing. This housing is available in two timeless finishes.
