

KONCEPT

Linear Light, Suspended.

Z-BAR pendant light

The award-winning Z-Bar Pendant comes in various standard configurations and sizes. Each LED light bar rotates independently, allowing you to shine light upwards for ambience or downwards for tasks. Designers can create custom configurations using a dedicated web application. Z-Bar Pendant Triangle, Square and Honeycomb are compatible with Koncept's acoustic panels.

Red Dot Design Award 2017

Lumens: 600 per 24" light bar* / 400 per 16" light bar
 Energy Consumption: 10 W per 24" light bar / 7 W per 16" light bar
 Rated Lifespan: 50,000 hours
 Color Temperature: 3,000 K
 Color Rendering Index (CRI) : 90
 Brightness Adjustability: Compatible with many ELV wall dimmers**
 Material: Aluminum, plastic
 Safety Rating: C-UL-US Certified
 Warranty: 5 years
 Voltage: 120 V
 Standard Finishes: Matte Black, Matte White, Silver

*3000 lm for single Honeycomb (24") with canopy

**Contact marketing@koncept.com for a list of compatible dimmers. Remote transformers are only compatible with 1-10V dimmers.

Potential LEED Points

Integrative Process (Possible 2 points)

To support high-performance, cost-effective project outcomes through an early analysis of the interrelationships among systems.

Koncept's LED desktop and task lighting provides finer control over lighting levels in occupied spaces. With personal lighting in place, elimination or downsizing of building lighting systems is possible.

Interior Lighting (Possible 2 points)

To promote occupants' productivity, comfort and well-being by providing high-quality lighting. All Koncept's task lighting products provide more than three lighting levels that are easily adjustable by occupants to suit their needs. Furthermore, all Koncept's task lighting products use high quality LED light sources with CRI over 80 and L70 rated lifespan over 50,000 hours. Desktop and task personal lighting also provides the opportunity to reduce overhead lighting.
