Direct Your Light

# Sobre task light

Designers  
Peter Ng, Kenneth Ng, Edmund Ng

Next Generation Luminaires 2013  
Best of NeoCon Silver 2012

Sobre rises above your work surface to provide both ambient and task light. The LED light bar rotates to shine directly down onto your desk, or up for beautiful ambient light. Ideal for long tables or public areas, multiple Sobre units can be connected together. Sobre mounts onto your desk via clamp or through-table mount. An occupancy sensor and dimmer control is available separately.

We also welcome customization for your project needs—whether it's a specific finish, light color temperature, or even a custom body size, we're here to help tailor Sobre to your vision.

Lumens: 320 per ft  
 Energy Consumption: 3.75 W per ft  
 Footcandles: see chart  
 Rated Lifespan: 60,000 hours  
 Color Rendering Index (CRI): 90+  
 Brightness Adjustability: Continuous dimming\*  
 Material: Aluminum, plastic  
 Occupancy Sensor: Available separately  
 Safety Rating: CE Certified. Ships with UL / cUL certified power supply within North America.  
 Warranty: 5 years  
 Voltage: 100-240 V

\*Occupancy sensor with dimmer control available separately

Photometrics: light source placed 19" away from work surface

- Custom

Order example: SF1 - 36 + 36 - 19 - 3500 - MBK - 2CF - ODC

Customization charges apply.  
 \*\*for info on maximum connected units, contact [sales@koncept.com](mailto:sales@koncept.com)  
 \*\*\*extended through-table mount (EXT) supports up to 2.6" table thickness.

## Customize your Sobre:

\*\*\*Custom option: extended through-table mount (EXT) supports up to 2.6" table thickness.

## LEED Information

### Integrative Process

To support high-performance, cost-effective project outcomes through an early analysis of the interrelationships among systems. Koncept's LED lighting fixtures operate at high efficacy, therefore helping to minimize energy costs. All Koncept lighting fixtures are dimmable so that occupants can choose the appropriate setting to avoid energy overuse.

### Interior Lighting

To promote occupants' productivity, comfort and well-being by providing high-quality lighting. Koncept's entire line of hardwired lighting fixtures are dimmable. Users can adjust the brightness settings to suit their needs. Furthermore, all products utilize high quality LED light sources with CRI over 80 and L70 rated lifespan over 50,000 hours.

Sobre clamp base

No buttons. A touchstrip dimmer and occupancy sensor are veiled in the slim Sobre support stem
