Direct Your Light

Sobre task light

Designers

Peter Ng, Kenneth Ng, Edmund Ng

Next Generation Luminaires 2013

Best of NeoCon Silver 2012

Sobre rises above your work surface to provide both ambient and task light. The LED light bar rotates to shine directly down onto your desk, or up for beautiful ambient light. Ideal for long tables or public areas, multiple Sobre units can be connected together. Sobre mounts onto your desk via clamp or through-table mount. An occupancy sensor and dimmer control is available separately.

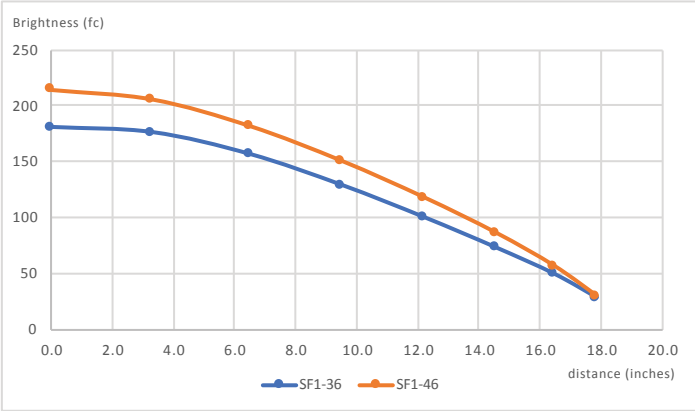

We also welcome customization for your project needs—whether it's a specific finish, light color temperature, or even a custom body size, we're here to help tailor Sobre to your vision.

		if a second light bar (26") is needed, write "+26". If a third light bar (26") is needed, put another "+26" and so on**. If no additional light bar is needed, skip this step.	Enter the desired height (6" to 40") in inches of the standing bar from above the mount. full height measurement adds 0.5"				

Order example: SF1 - 26 + 26 - 20 - 3000 - WHT - EXT - ODC

Customization charges apply.
**for info on maximum connected units, contact sales@koncept.com
***extended through-table mount (EXT) supports up to 2.6" table thickness.

Customize your Sobre light using the online Sobre configurator. Log into koncept.com/speonline and create a free account. Contact sales@koncept.com for assistance.

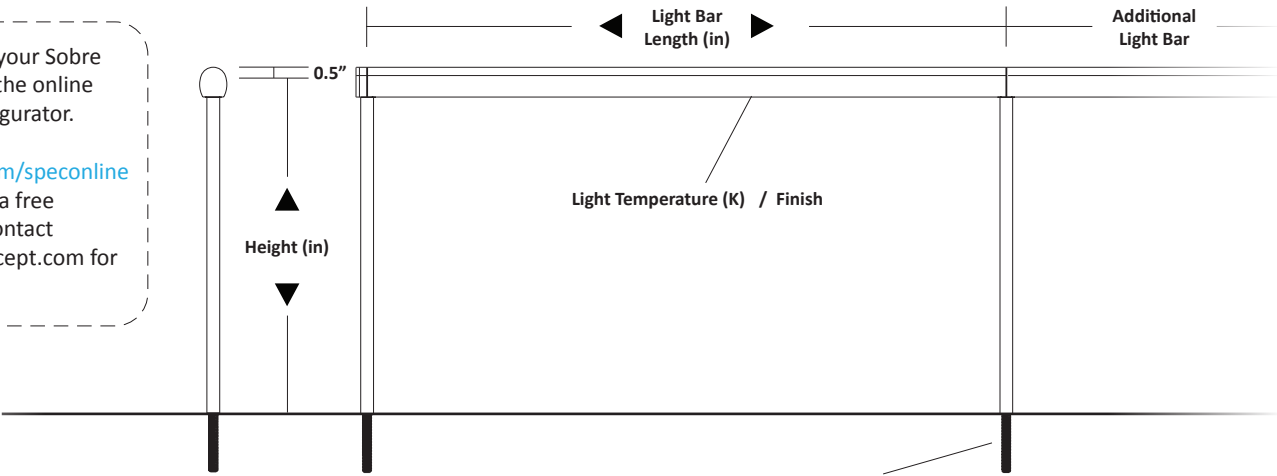

Diagram labels: Light Bar Length (in), Additional Light Bar, Height (in), Light Temperature (K) / Finish.

***Custom option: extended through-table mount (EXT) supports up to 2.6" table thickness.

LEED Information

Integrative Process

To support high-performance, cost-effective project outcomes through an early analysis of the interrelationships among systems. Koncept's LED lighting fixtures operate at high efficacy, therefore helping to minimize energy costs. All Koncept lighting fixtures are dimmable so that occupants can choose the appropriate setting to avoid energy overuse.

Interior Lighting

To promote occupants' productivity, comfort and well-being by providing high-quality lighting. Koncept's entire line of hardwired lighting fixtures are dimmable. Users can adjust the brightness settings to suit their needs. Furthermore, all products utilize high quality LED light sources with CRI over 80 and L70 rated lifespan over 50,000 hours.

Standard Configurations with Expandability

These are many possible custom configurations. Below is an example of what was specified for the **Calgary Public Library**.

- Light Bar: 36"
- Additional Light Bar(s): 36" + 36"
- Height: 19"
- Light Temperature: 3500 K
- Finish: MBK (Metallic Black)
- Mount: THR (Through-table)
- Power/Dimmer Control: NCU (No Control Unit)

Order Example: **SF1-36 + 36 + 36 -19 - 3500 - MBK - THR - NCU**

For fully custom configurations, please see the Custom Configurations section.

How to specify

- 1. Utilize the Sobre customizations options chart.
- 2. Choose an option from each column and enter into the appropriate fields at the bottom.
- 3. Submit this "SKU" to sales@koncept.com, along with any questions.

Calgary Public Library, Calgary, AB

Sobre clamp base

No buttons. A touchstrip dimmer and occupancy sensor are veiled in the slim Sobre support stem
