

KONCEPT

UCX PRO

At twice the energy efficiency of the original UCX, UCX Pro maintains the emphasis on ultra-high energy efficiency and sleek, minimalist design that characterizes Koncept products. Remotely control the color and brightness settings with the optional wifi module and smartphone app. Schedule your light to automatically change in intensity and light color throughout the day to synchronize with your circadian rhythms.

Model:	UCX-19	UCX-27	UCX-37
Lumens:	760	1140	1672
Maximum Chained Units:	4 units	3 units	2 units
Number of LEDs:	84	126	182
Luminaire Wattage:	8.64 W	13 W	18.7 W
System Power:	10.5 W	15.5 W	22.5 W
LED Rated Lifespan:	50,000 hours		
Color Temperature:	Variable from 2,700K to 5,000K		
Color Rendering Index (CRI):	90		
Dimmer:	Built-in touchstrip		
Brightness Adjustability:	Continuous dimming		
Standard Color Finish:	Silver		
Material:	Aluminum/Plastic		
Mounting:	Magnetic/Screw Mounts (Included)		
Length of Daisy Chain Cord:	1" (male-to-male connector), 12", 30"		
C-UL-US Certified			

UCX-__-SIL

19 = 19.45" length
27 = 26.81" length
37 = 36.61" length

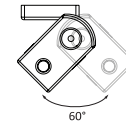

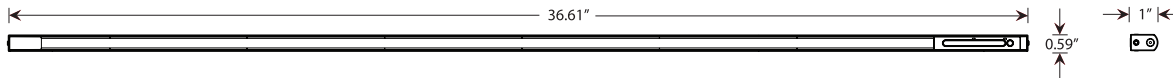

UCX-19 (84 LEDs)

UCX-27 (126 LEDs)

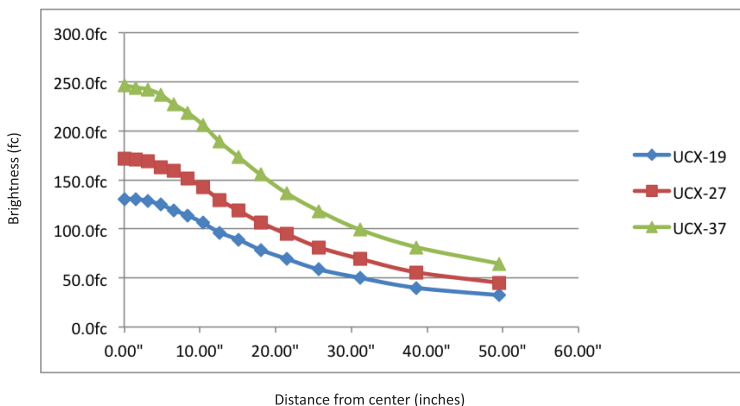

UCX-37 (182 LEDs)

Tilting motion

Measured from 18" distance in Footcandles

Optional Accessories

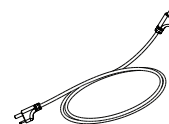

Male to male connector

Occupancy sensor

Wifi module

30" daisy chain cord
12" daisy chain cord

Potential LEED Points

Integrative Process (Possible 2 points)

To support high-performance, cost-effective project outcomes through an early analysis of the interrelationships among systems.

Koncept's LED desktop and task lighting provides finer control over lighting levels in occupied spaces. With personal lighting in place, elimination or downsizing of building lighting systems is possible.

Interior Lighting (Possible 2 points)

To promote occupants' productivity, comfort and well-being by providing high-quality lighting.

All Koncept's task lighting products provide more than three lighting levels that are easily adjustable by occupants to suit their needs. Furthermore, all Koncept's task lighting products use high quality LED light sources with CRI over 80 and L70 rated lifespan over 50,000 hours. Desktop and task personal lighting also provides the opportunity to reduce overhead lighting.
