

playfully practical

gravity  
wall sconce

The Gravy Wall Sconce is a playful, customizable and highly functional piece. Gravy's swiveling head rotates 360 degrees. It can bend forward for use as an ambient light or downward as a task light. The light can be operated by a wall switch or by touching the center of the LED head and holding it to dim. Choose between plug-in or hardwire versions to fit your mounting capabilities. The magnetically attached surface plates are interchangeable, enabling users to select painted finishes, wood veneers or fabric to match their interior space.

Lumens: 320  
 Energy Consumption: Plug-in: 4.5 W / Hardwire: 5.8 W  
 Rated Lifespan: 50,000 hours  
 Color Temperature: 2,700 K  
 Color Rendering Index (CRI) : Plug-in: 83 / Hardwire: 94  
 Brightness Adjustability: Continuous Dimming  
 Material: Zinc alloy, plastic  
 Safety Rating: C-UL-US Certified  
 Warranty: 5 years (1 year for hardwire driver)  
 Voltage: Plug-in: 100-240 V / Hardwire: 120 V  
 Standard Finishes (Body): Matte White, Silver, Chrome, Metallic Black  
 Standard Finishes (Face Plate): Matte White, Silver, Chrome, Metallic Black, Oiled Walnut (Veneer), White Oak (Veneer), Matte Orange, Matte Red, Matte Yellow, Matte Hot Pink, Matte Blue, Matte Green, Oxford (Felt), Honeydew (Felt), Azure (Felt).

#### Mounting Options/Accessories (for plug-in version only)

#### Potential LEED Points

**Integrative Process** *(Possible 2 points)*  
 To support high-performance, cost-effective project outcomes through an early analysis of the interrelationships among systems.  
 Koncept's LED desktop and task lighting provides finer control over lighting levels in occupied spaces. With personal lighting in place, elimination or downsizing of building lighting systems is possible.

**Interior Lighting** *(Possible 2 points)*  
 To promote occupants' productivity, comfort and well-being by providing high-quality lighting.  
 All Koncept's task lighting products provide more than three lighting levels that are easily adjustable by occupants to suit their needs. Furthermore, all Koncept's task lighting products use high quality LED light sources with CRI over 80 and L70 rated lifespan over 50,000 hours. Desktop and task personal lighting also provides the opportunity to reduce overhead lighting.

Photometrics: Light source placed 15" away from work surface
