

Light for Above & Below

Z-BAR

pendant *rise*

The *Rise* is a three-dimensional addition to the Z-Bar Pendant line. Available in five different geometric configurations, these contemporary and minimalist pendants consist of modular light bars on the top and bottom tiers that independently rotate 360.° Direct the top light bars up to the ceiling and the bottom bars down to enjoy both ambient and task light. Optional acoustic panels are available as an attractive solution to sound absorption.

Lumens: 18" x 18" Square: 2,100
 26" x 26" Square: 3,000
 50.5" x 50.5" Square: 8,900
 40" x 14" Rectangle: 3,000
 56.2" x 14" Rectangle: 5,350
Energy Consumption: 18" x 18" Square: 40 W
 26" x 26" Square: 40 W
 50.5" x 50.5" Square: 140 W
 40" x 14" Rectangle: 40 W
 56.2" x 14" Rectangle: 84 W
 50,000 hours
Rated Lifespan: 3,000 K
Color Temperature: 90
Color Rendering Index (CRI): Compatible with many ELV wall dimmers
Brightness Adjustability: Aluminum, Zinc alloy, plastic
Material: C-UL-US Certified
Safety Rating: 5 years / 1 year for hardwire driver
Warranty: 120 V
Voltage: Matte Black, Matte White, Silver
Standard Finishes:

ZBP - - RR - SW - - - CNP

54 = 54"/48" light bars
 38 = 38"/32" light bars

RR = Rectangular configuration

MWT = Matte White
 MTB = Matte Black
 SIL = Silver

ZBP - - RS - SW - - - CNP

48 = 48"/39" light bars
 24 = 24"/13" light bars
 16 = 16"/8" light bars

RS = Square configuration

MWT = Matte White
 MTB = Matte Black
 SIL = Silver

Potential LEED Points

Integrative Process (Possible 2 points)

To support high-performance, cost-effective project outcomes through an early analysis of the interrelationships among systems. Konzept's LED desktop and task lighting provides finer control over lighting levels in occupied spaces. With personal lighting in place, elimination or downsizing of building lighting systems is possible.

Interior Lighting (Possible 2 points)

To promote occupants' productivity, comfort and well-being by providing high-quality lighting. Konzept's portable task lighting products provide more than three lighting levels that occupants can easily adjust to suit their needs. Users can achieve dimming control for most hardwire lighting products by implementing standard ELV dimmers. Furthermore, all Konzept lighting products use high quality LED light sources with CRI over 80 (over 90 for hardwire products) and L70-rated lifespan over 50,000 hours. Desktop and task personal lighting also provide the opportunity to reduce overhead lighting.
