# Z-Bar wall sconce

The sleek Z-Bar Wall Sconce can be utilized to highlight artwork, mirror or a framed photo. Mounted solo, it can be appreciated as its own work of modern art. It can be hung horizontally, vertically, even diagonally on a wall or ceiling. The sconce comes in three sizes, the smallest of which can be mounted at the end of the light bar as well as from the middle. The slim LED bar is dimmable and rotatable, giving users freedom to modify the light.

	<b>24"</b>	<b>36"</b>	<b>48"</b>	<b>60"</b>
Lumens:	1,000	1,600	1,800	2,000
Energy Consumption:	16 W	24 W	27 W	30 W
Rated Lifespan:	50,000 hours			
Color Temperature:	Soft Warm (3,000 K)			
Color Rendering Index (CRI) :	90+			
Brightness Adjustability:	Compatible with ELV wall dimmers*			
Material:	Aluminum, plastic			
Safety Rating:	C-UL-US Certified			
Warranty:	5 years (1 year for hardwire driver)			
Voltage:	120 V			
Standard Finishes:	Brushed Nickel, Matte Black, Matte White, Gold			

The Z-Bar Wall Sconce requires some space in the junction box for the transformer to sit in. We recommend that installers use either a 4" octagon box or an at least 1" deep single gang outlet box. All models come with a rectangular and square mounting plate.

### LEED Information

#### Integrative Process

To support high-performance, cost-effective project outcomes through an early analysis of the interrelationships among systems. Concept's LED lighting fixtures operate at high efficacy, therefore helping to minimize energy costs. All Concept lighting fixtures are dimmable so that occupants can choose the appropriate setting to avoid energy overuse.

#### Interior Lighting

To promote occupants' productivity, comfort and well-being by providing high-quality lighting. Concept's entire line of hardwired lighting fixtures are dimmable. Users can adjust the brightness settings to suit their needs. Furthermore, all products utilize high quality LED light sources with CRI over 80 and L70 rated lifespan over 50,000 hours.
