## LEED information

### Integrative Process
*To support high-performance, cost-effective project outcomes through an early analysis of the interrelationships among systems.*
Koncept's LED lighting fixtures operate at high efficacy, therefore helping to minimize energy costs. All Koncept lighting fixtures are dimmable so that occupants can choose the appropriate setting to avoid energy overuse.

### Interior Lighting
*To promote occupants' productivity, comfort and well-being by providing high-quality lighting.*
Koncept's entire line of hardwired lighting fixtures are dimmable. Users can adjust the brightness settings to suit their needs. Furthermore, all products utilize high quality LED light sources with CRI over 80 and L90 rated lifespan over 60,000 hours.
