Enrich the Walls with Light

Ramen wall sconce

Designers
Kenneth Ng, Edmund Ng

Chicago Athenaeum's Good Design Award 2020

Ramen is a playful circular sconce suitable for indoor or outdoor use. At either 9" or 12" in diameter, the magnetically-attached face plates are interchangeable. Users can easily customize to complement the surrounding decor, or just for the sake of an aesthetic change. A special paintable plate opens up even more opportunities for designers. Ramen's bowl-shaped body emits 360° of beautifully diffused light.

Wet-rated, Ramen is suitable for indoor or outdoor use.

Choose from eight standard finishes including felt fabric, wood veneer and metal, all available in 9" and 12" diameters.

Create your own custom finish with a paintable plate. This option opens up endless opportunities: exactly match Ramen with your wall color; choose a complementary color; or let your creativity shine by painting a pattern, portrait, seasonal design, and so on. Since a magnet is all that's needed to change out the plate, you can easily make aesthetic changes throughout the year.

Lumens: 1500
 Energy Consumption: 17.5 W
 Rated Lifespan: 50,000 hours
 Color Temperature: Soft Warm (3,000 K)
 Color Rendering Index (CRI): 90
 Brightness Adjustability: Compatible with ELV wall dimmers
 Material: Aluminum, plastic
 Safety Rating: C-UL-US Certified
 Warranty: 5 years (1 year for hardwire driver)
 Voltage: 120V
 Standard Plate Finishes: Brass*, Chrome*, Matte White*, Matte Black*, Oiled Walnut, Charcoal Felt (100% wool), White Oak, Brushed Nickel*, Paintable (white)
 *Weather Resistant

09 = 9" diameter
12 = 12" diameter

BRS = Brass*
 CRM = Chrome*
 MWT = Matte White*
 MTB = Matte Black*
 OWT = Oiled Walnut
 CCF = Charcoal Felt
 WOK = White Oak
 BNI = Brushed Nickel*
 PTB = Paintable

*Weather Resistant

LEED Information

Integrative Process

To support high-performance, cost-effective project outcomes through an early analysis of the interrelationships among systems.

Koncept's LED lighting fixtures operate at high efficacy, therefore helping to minimize energy costs. All Koncept lighting fixtures are dimmable so that occupants can choose the appropriate setting to avoid energy overuse.

Interior Lighting

To promote occupants' productivity, comfort and well-being by providing high-quality lighting.

Koncept's entire line of hardwired lighting fixtures are dimmable. Users can adjust the brightness settings to suit their needs.

Furthermore, all products utilize high quality LED light sources with CRI over 80 and L70 rated lifespan over 50,000 hours.
