

Meet the Designers

Koncept was born when Peter Ng and his two sons, Kenneth Ng and Edmund Ng, joined forces in 2002 in order to harness years of manufacturing and industrial design experience.

Since then, the family-operated team continues to employ a multidisciplinary approach to design by embracing modern, minimalist lines while maintaining rich functionalities, thus striking the perfect balance between form and function. Together, they designed one of the first practical LED desk lamps on the market- Koncept's signature Z-Bar light, which was selected into the permanent collection of Die Neue Sammlung, the state museum for design and applied arts in Munich, Germany.

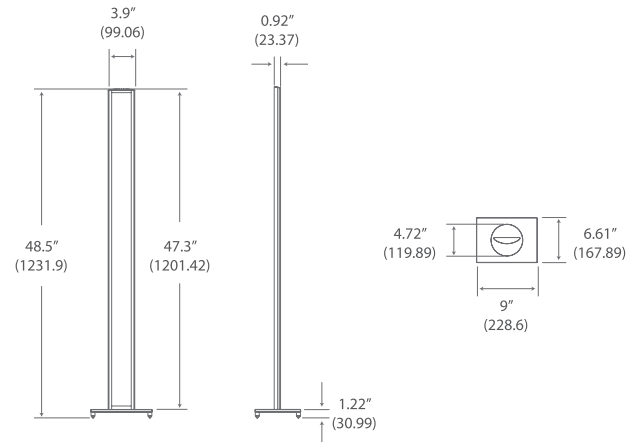

The team at Koncept has designed a range of award-winning products which has significantly influenced by pioneering in the LED task lighting design industry. Their works have been featured in major press such as TIME Magazine, Oprah Magazine, and Interior Design Magazine, etc. To date, their designs have won 37 international design awards including the Red Dot Design Award, "The Best Inventions Of The Year" by Time Magazine, iF Design Award, and the Good Design Award.

Environmental Considerations

Fully recyclable aluminum
Water-based paint
LEDs do not contain mercury
Low power consumption
LEED credit eligibility

Details

18 W watts consumption
10,000 hours lifespan
2,700 K to 8,000 K light color
1,500 combinations of Red,
Green, & Blue
Continuous dimming
10' cord
White

tōnō

Enrich your space with colors
A floor lamp that gives you any color, any time

Best of NeoCon GOLD 2013
JDP's Good Design Award 2013

Spin the Tower

Wash the wall with color or swivel the lamp around to illuminate the room

Dim the Lights

Set the lamp to dim the colors, creating a whole new mood level.

Switch to White

Tired of the color? Switch to traditional white. You can even choose from warm white (2,700 K) to cool white (8,000 K).

Cycle or Fix

Automatically rotate through 1500 colors, or stop on just one color.
