

Meet the Designers

Koncept was born in 2002 when industrial designer Peter Ng and his two sons, Kenneth Ng and Edmund Ng, joined forces in order to harness years of manufacturing and industrial design experience.

The Koncept team has since designed a range of products that have significantly influenced the LED task lighting industry. Their works have been featured in major press such as TIME Magazine, Oprah Magazine and Interior Design Magazine. Koncept has earned 48 international design awards to date, including the Red Dot Design Award, iF Design Award, and the Good Design Award.

Embracing modern, minimalist lines while maintaining rich functionalities, Koncept's designs strike the perfect balance between form and function.

Environmental Considerations

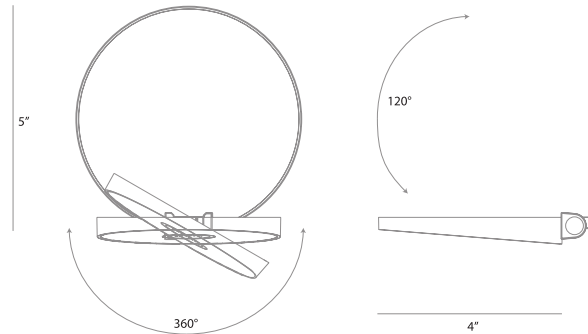

Water-based paint
LEDs do not contain mercury
Low power consumption
LEED credit eligibility

Embrace the Extraordinary
GRAVY
wall sconce

By Kenneth Ng, Edmund Ng
2016

iF Design Award 2016
Spark Gold Award 2015

Light Where You want It

Controlling the light is easy: simply direct the swivelling LED head to where you need light. Tap the center of the head's underside to turn it on or off, and touch and hold to adjust the brightness.

Plug-in or Hardwire

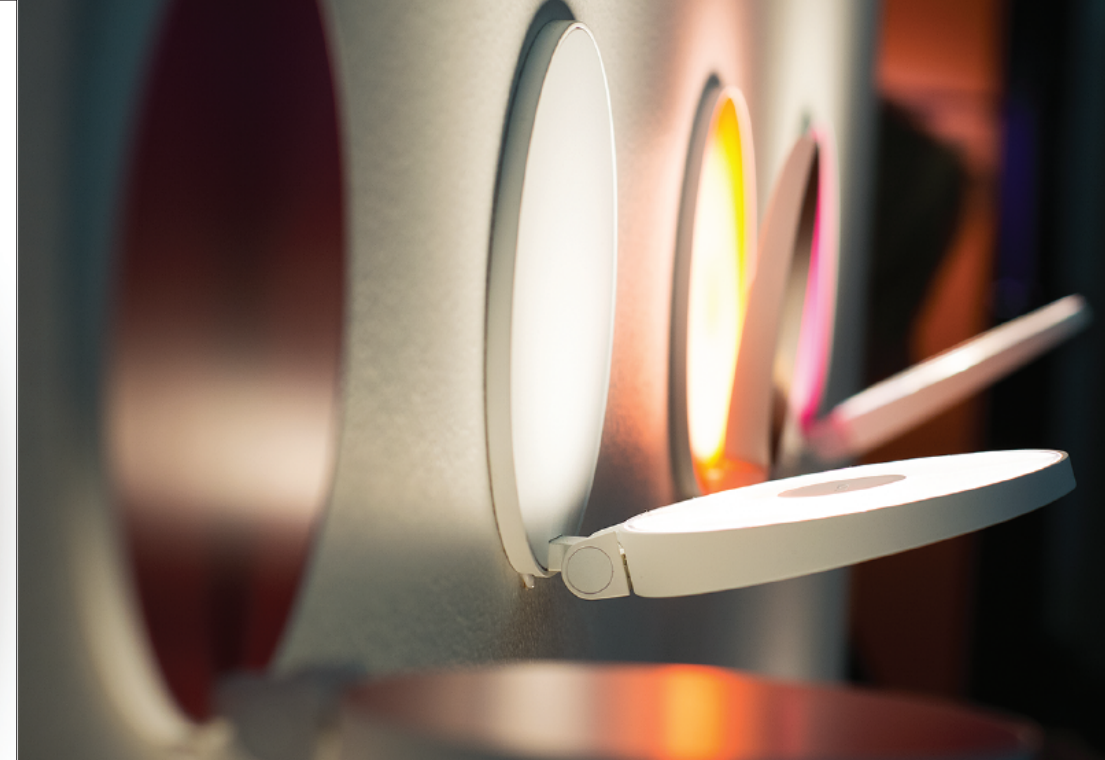

Available in both plug-in or hardwire versions, the sconce is built to fit any room

Warm Glow

Edge-lit technology provides a soft, evenly-distributed glow of warm, white light

Dimmable

Simply tap the center of the LED head's underside to turn on or off, and hold to dim or brighten the light

Unexpected Combinations

The Gravy Wall Sconce's magnetic plates are removable and interchangeable. Choose between a variety of different finishes such as felt fabric, chrome or wood veneers to add a dash of color or match your interior space.
